## Viking Football Machine Begins To Shape Up

The Grayling High Viking football team undergoing two day practice sessions since August 29 when physical tests were taken and equipment issued, is beginning to shape up, head coach Don Ferguson said today.

Although he is far from the point of forming a starting unit, Ferguson has eight regulars, all letter winners and all seniors. They are: Steve Sink, a back; Joe Robertson, back; Mike Lovely, back; Mike Roberts, a tackle; Ed Horning, tackle; Jan Thayer, an end; and Dan Failing, guard. Dick Rochette, a letter winner but not a regular, also is returning.

Moving up from last year's successful junior varsity team will be such players as Tom LaMotte, Mike Young, Ted Carlson, Norman Sorenson, Ted Beery, Bob Hale and Larry Milliken.

Grayling gets their season underway on Friday night, September 16th when they travel to their coach's alma mater, Harrison to meet the Hornets under the lights at Hughes Memorial Field. The Hornets, coached by Herb Hileman, have been working out on a twice a day schedule.

Coach Hileman has only three seniors on his roster and the team is reported to be smaller than in the past several years. They have a great amount of speed though, it was said. Last year, the Hornets compiled an outstanding record of six wins, one loss and one tie and were co-champions of the Tomahawk Conference along with Ewart. They are expected to give the Grayling Vikings a real test and Grayling is hoped will reveal an improved eleven over last year which did show a terrific step ahead from the 1928 team.

**SATTLER TO MANAGE LOCAL A & P STORE**

A & P Food Stores' General Superintendent Clyde L. Taylor announced today the appointment of Robert D. Sattler to manager of the Grayling store.

Sattler will succeed Laurin K. Wing, who has been promoted to assistant manager of one of the Grand Rapids super-markets.

Prior to his promotion to the larger store, Sattler was manager of the Lake City store for two years. He first started with the food chain in 1923 as a clerk in Beulah. He later served as checker and head stocker prior to his promotion to manager in 1928.

Sattler is a native of Interlochen. He is married to the former Juliette Nelson, of Frankfort. They have two children, Robert, 4, and Debra, 2.

## Heart Disease Rate Higher in County

(Special to the Avalanche)

NEW YORK, Aug. 25.—Heart disease is found to be responsible for 65.1 per cent of all deaths among the Crawford County population.

The figure is given by the U. S. Public Health Service in its new, annual report covering vital statistics in every section of the country.

Locally, as in most areas, heart disease dwarts all other diseases as a threat to life. The dramatic cures for which medical scientists have been searching for many years still elude them.

However, they have scored partial victories and hope for bigger ones. Their recent successes include a way to prevent little strokes from developing into serious ones; progress in treating rheumatic heart disease and new anticoagulants for blood clots.

The 65.1 per cent mortality among Crawford County residents was somewhat higher than the average reported for the United States, 55.0 per cent.

It was higher, also, than the rate in the East North Central States, 54.1 per cent.

An indication of the size of the heart disease problem in the United States is given by the National Health Education Committee, which has been campaigning for bigger Federal expenditures for general medical research.

It states that only \$400 million a year is spent that way, although disease and disability take an annual toll of \$35 billion, or 88 times as much.

The cost to heart sufferers, in wages alone, is placed at \$1 billion a year, based on a loss of over 69 million man-days.

In Crawford County the number of deaths of local people from all causes during 1928, as shown in the new Federal report, totaled 43, of which 28 were due to heart ailments. Excluding deaths locally of non-residents.

The outstanding culprit was coronary heart disease, which took 17 lives in the year.

## Beaver Creek Twp. Plans Picnic Area, Park

The Beaver Creek Township Board recently leased the public fishing site and an additional five acres of ground around it at the north end of Higgins Lake, for the purpose of providing a township picnic ground with access to the lake on the side, and to open up a series of grounds for use as a playground for the children.

The township is planning to erect public toilets and picnic tables this fall. They also plan to erect bathhouses. Township residents are urged to help in the work by making full use of the land and erecting public toilets and picnic tables this fall. They also plan to erect bathhouses. Township residents are urged to help in the work by making full use of the land and erecting public toilets and picnic tables this fall.

**GOSPEL FILM TO BE SHOWN**

How a high school athlete called to duty by Christ, and how he defeated all odds in a gambling syndicate to "fix" football games in which he played is the central theme of an exciting new film to be shown Thursday, September 8, at 8 p. m. at the Grand Theatre.

The picture, produced by Gospel Films, Inc., of Muskegon, Mich., is being sponsored here by the Northland Youth Crusade.

The picture is called "GOAL TO GO," tells how the high school team's quarterback is approached by a fellow student to "sell out" to the gamblers and how, by acting on his own Christian principles, he wins something more precious to his teammates than the games themselves.

The exciting film, in which many thrilling sequences of football action are pictured, was made with Muskegon and Grand Haven, Michigan high school players as members of the cast.

Mr. and Mrs. George Schiabel, Jr., Kirksville, Mo., will be in town for Fort Lee, Va., where he will attend a two-month Quartermaster School.

Mrs. James Ackron Jr. and children spent the week-end at Willis, Mich., visiting his parents, the senior Ackrons.

The Buddy family reunion was held Sunday at the Harold Buddy home in Grand Haven, where were Mr. and Mrs. Elmer Parks and Mr. and Mrs. John Laur of Gaylord, Mr. and Mrs. Jerry Peter of Clarkston, Mr. and Mrs. Chester Buddy and son Mark of Grand Rapids, Mr. and Mrs. Stanley Blessing of Elkhardt, Ind., Mr. and Mrs. Ted Durga of Traverse City, Mr. and Mrs. Kenneth Ashton and son Brian. The group enjoyed a picnic meal, then played horseshoes, went water skiing and fishing, according to their choice.

The hosts' children, Randy, Diane, Terry and Sandy Buddy, and daughter Pat and her husband, Dick of Fenton, were also present.

## 1st Three Canoes Break Old Marathon Record

### Stock Howes Lake With Legal Rainbows

A Conservation Department expedition of Howes Lake which failed to pay off for some undetermined reason was refitted last Friday by the planting of 700 rainbow trout of legal size.

Last March, the fisheries division poisoned out the lake which contained mostly stunted bluegills and introduced 2,800 rainbow fry. The plan at that time was to check the growth rate of the fish this fall. A crew with gillnets headed by Bud Jacobs, district fisheries chief failed to find one fish last Friday morning. Many causes were thought of but it was impossible to pin point the exact reason for the failure. The department then okayed a plan to introduce the legal size fish from the Grayling Hatchery.

The fish which will average about 7 1/2 inches in length will be in the lake in order to distinguish them from any of the rainbow fry which might have survived. In March, when the lake was cleared of all fish to make it a better habitat for the rainbow, most fish taken from the lake were less than six inches in length. In all only 24 "keeper" largemouth bass of 10 inches or more in length were found.

### Name Area Chairman For 1931 Michigan Week

Archie E. Barnich, Cheboygan insurance-treasurer, has been appointed 1931 Michigan Week chairman for an area of the northern Lower Peninsula which includes Cheboygan, Charlevoix, Antrim, Otsego and Crawford counties.

His appointment as regional chairman was announced by John H. Carton, president of the Wolverine and Federal Insurance companies, Battle Creek, and general chairman for the eighth annual state celebration to be held May 21-23.

Mr. Carton said that for 1931 the state has been organized into 16 regions. This compares with nine regions this year. Purpose of the reorganization is to give regional chairmen smaller areas to cover and to bring about closer contacts with county and community chairmen.

A native of Cheboygan, Mr. Barnich is past president of the Michigan Association of Insurance Agents and serves as chairman of the Cheboygan Planning Commission. Active in civic affairs, he is a member of the local Kiwanis and the Knights of Columbus.

### Congressman Cederberg Here September 14th

Congressman Elford A. Cederberg is coming to Crawford County to discuss with citizens the area any problems they may have in which the Federal Government is involved or to listen to their views on federal matters.

Congressman Cederberg has announced that he will be at the Courthouse in Grayling between 2 and 4 p. m. on Wednesday, September 14, 1930.

"Person-to-person discussion is a much better way of handling these official matters and that is why I visit each county for this purpose every year," Congressman Cederberg said.

"I started this plan when the citizens of the District first sent me to Congress and I have continued it each year since. I like to meet the people I represent in their own home areas and it is always a pleasure to visit Crawford County and renew old acquaintances and make new ones."

**To Discuss Forest Products**

GAYLORD.—Forest resources, products and marketing will be discussed in detail by a group of prominent resource speakers at an area meeting here at Schlang's Restaurant on September 14. The meeting is sponsored by the Northern Michigan Development Council and will get underway at 1:30 p. m.

### Wojahn - McGuire Are New Champs

The first three canoes to cross the finish line in Oscoda last Sunday broke the Michigan's World Canoe Championships old time set back in 1928 by Steve Kolonich and Larry Kindell of 16 hours and 41 minutes.

The new champions are Edward Wojahn, 21, of Tawas City and Sanford McGuire, 24, of Mikado. The two new champions were clocked in 16 hours, 11 minutes and 40 seconds thus slashing one half hour the old mark.

Two other teams in the race also finished faster than the old record of 16 hours, 41 minutes, to give canoe racing fans one of the most interesting races in the 14-year history of the event.

To win, Wojahn and McGuire had to overtake and pass veteran canoeist and three-time marathon winner Ralph Sawyer of Oscoda and his new partner, Irvin McGuire of Mikado, brother of Sanford.

Sawyer and McGuire, who started in 21st position at Grayling, fought their way to early leadership in the race when they paddled at breakneck speed to overtake and pass all canoes in front of them.

Among those left in the wake of Sawyer and McGuire were Wojahn and McGuire, who had third starting position at Grayling, and the veteran team of Steve Kolonich and Larry Kindell, who had set the course record in 1928.

The new champions finally took the lead in the backwater of Louisa dam and were never headed the rest of the way.

A downpour during an early Sunday morning thunderstorm had little adverse effect on the canoeists. Perfect water conditions produced the finest race in the 14-year history of the event.

For their efforts, Wojahn and McGuire were awarded first prize money of \$1,200, along with a trophy. Prizes for second, third, fourth, fifth, sixth, seventh, eighth, ninth, tenth, eleventh, twelfth, thirteenth, fourteenth, fifteenth, sixteenth, seventeenth, eighteenth, nineteenth, twentieth, twenty-first, twenty-second, twenty-third, twenty-fourth, twenty-fifth, twenty-sixth, twenty-seventh, twenty-eighth, twenty-ninth, thirtieth, thirty-first, thirty-second, thirty-third, thirty-fourth, thirty-fifth, thirty-sixth, thirty-seventh, thirty-eighth, thirty-ninth, fortieth, forty-first, forty-second, forty-third, forty-fourth, forty-fifth, forty-sixth, forty-seventh, forty-eighth, forty-ninth, fiftieth, fifty-first, fifty-second, fifty-third, fifty-fourth, fifty-fifth, fifty-sixth, fifty-seventh, fifty-eighth, fifty-ninth, sixtieth, sixty-first, sixty-second, sixty-third, sixty-fourth, sixty-fifth, sixty-sixth, sixty-seventh, sixty-eighth, sixty-ninth, seventieth, seventy-first, seventy-second, seventy-third, seventy-fourth, seventy-fifth, seventy-sixth, seventy-seventh, seventy-eighth, seventy-ninth, eightieth, eighty-first, eighty-second, eighty-third, eighty-fourth, eighty-fifth, eighty-sixth, eighty-seventh, eighty-eighth, eighty-ninth, ninetieth, ninety-first, ninety-second, ninety-third, ninety-fourth, ninety-fifth, ninety-sixth, ninety-seventh, ninety-eighth, ninety-ninth, one hundredth.

**Ted Visnaw Walks Over Mackinac Bridge**

Theodore Visnaw of Grayling, a member of the International Walkers Association was among the 1,500 who walked across the Mackinac Bridge on Monday.

Ted is slowing up a little as his time this year was one hour, six minutes and three seconds compared to his 1928 time of one hour, six minutes flat.

At the first walking race across the bridge in 1928, Visnaw was the oldest entrant being 67 at the time. A five mile test was held on the Sunday before the start of the 14-year-old Neal Miller, son of the Harley Millers of Lansing. He crossed in 45 minutes, 55 seconds. The oldest walker was 82-year-old Edward Butterfield of Zanesfield, Ohio. His time was one hour, 11 minutes.

**Headquarters 37th Infantry Div.**  
Post Office Box 4631  
Fl. Hayes Bn., Columbus 3, O.  
Mr. Robert Strong, Editor  
Crawford County Avalanche  
Grayling, Michigan  
Dear Mr. Strong:

On behalf of the officers and men of the 37th Infantry Division, Ohio National Guard, I wish to convey my sincere appreciation to the citizens of Grayling for the warm welcome which greeted this command at their new training site.

It is indeed a pleasure to our units to train at the excellent facilities of Camp Grayling. What is even more outstanding is to be welcomed in the manner which your community welcomed us during our two-week visit.

Although our visit was brief, I am happy to say that we felt like old friends before we journeyed back to Ohio. Cooperation from such folks as Mr. Robert Hayes, Secretary to your Chamber of Commerce; Mr. Fred Bear, President of the Bear Archery Company; the President of the Kiwanis Club; Mr. Herb Wolff and other civic and community leaders helped create a feeling of friendship second to none in my years with the military.

We look forward with pleasure to our return to Camp Grayling from August 12th to August 26th next year.

Sincerely yours,  
Loren C. Williams

## CITES SCHOOL BUS STOPPING STATE LAW

With school opening this week Sgt. Carl Harrison of Houghton Lake State Police Post would like to remind motorists of the State law which requires drivers to stop for school buses.

Last year numerous violations were reported where motorists failed to stop for school buses discharging or picking up school children. In some cases children were narrowly missed with possible fatal or serious injury resulting.

The law became effective Sept. 13, 1958. It does not apply in incorporated villages or cities but stopping can be required by local ordinances if there are signs informing motorists of the regulation.

Stops must be made at least 10 feet "in front" or from the "rear" of a stopped bus and motorists may not proceed until the school bus resumes motion or the school bus driver signals drivers to proceed, or visual lights on the bus are no longer actuated.

There are two exceptions to the rule, stops are not required at intersections controlled by a stop-and-go signal or a police officer. However drivers may not pass a bus at greater than 10 miles per hour, and then with due caution.

Cars traveling on the opposite side of a divided highway are not required to stop when meeting a school bus.

When a school bus is about to stop or is stopped to receive or discharge school children the bus driver is required to give notice by operating flashing red lights at the front and rear of the bus. Sgt. Harrison warned however that motorists are still required to stop even though the red lights may not be operating.

Despite the fact this law has been effective for some time motorists are urged to review the law, particularly the portion requiring motorists to stop when meeting the bus.

## Roscommon Boy Named To Bake-Off Finals

Dan L. Ross, 1654 Pinewood Drive, Roscommon, today was named one of the 10 finalists in Pillsbury's 12th Grand National Bake-Off Contest, to be held September 25-27 in Washington, D. C. Nine other Bake-Offs have been held in New York's Waldorf-Astoria and two in Beverly Hills, California.

Son of Mr. and Mrs. Leland E. Ross of Roscommon, Dan was chosen on the basis of a Roll recipe that he submitted for contest judging earlier this year. He will receive an expense-paid trip to the Statler Hilton Hotel where he will bake his prize recipe and compete with 29 other Bake-Off cooks from all parts of the country for over \$100,000 in cash and General Electric appliance prizes.

Dan will have a chance to win the Bake-Off prize of \$25,000, the second grand prize of \$5,000 or any of the special Junior Division prizes of \$3,000, \$1,000 and \$500. Each contestant is also given a General Electric range and mixer of his choice.

News of his good fortune was given to Dan today by T. A. Carroll Pillsbury branch manager for this area who presented him with a \$100 check and made final plans for his Washington, D. C. trip. Dan will be accompanied by his mother, Mrs. Leland E. Ross on his Washington, D. C. visit. Contest rules require each of the 20 Junior contestants be accompanied by an adult of their choice with all expenses paid by the Pillsbury Company.

Mr. and Mrs. Jack Alef and children drove to Traverse City last Thursday to attend the Fair. Their stay was short because of a violent windstorm which came up, followed by rain. The same storm hit Grayling about noon, Thursday, although the wind was not so bad. Mr. and Mrs. Alef entertained his parents, Mr. and Mrs. M. J. Alef of Grosse Pointe, week-end before last.

San Sheri Grill will be closed September 8th, 7th and 8th. Jerrold Galvani accompanied Miss Edith Payne from Flint recently after visiting his sister and family, Mr. and Mrs. Larry Wilbur and five children, for several days. Mrs. Wilbur was here for a week with her mother, Mrs. Mary Galvani, and took Jerrold home with her. Miss Payne was en route to visit her mother, in Frederic.

Mr. and Mrs. Robert Tapley entertained her brother, Robert Nahass, and her nephews, Edward and James Nahass, of Wellesley, Mass., for two and a half weeks during August. They left on the 31st. Last Thursday evening, Mr. and Mrs. Tapley drove to Traverse City to pick up his sister, Miss Joy Tapley and her fiancé, Allan Ahard, who flew in from Chicago to spend the holiday weekend with the Tapleys.

Mr. and Mrs. Dick DuBois and sons, and Mr. and Mrs. R. E. DuBois of Birmingham, spent the holiday weekend at Cedarville. Gary DuBois accompanied some friends, Mr. and Mrs. Charles Oxley, to Birmingham on Saturday, August 27th, returning here again on Thursday with his grandparents before going to Cedarville. The Avalanche Office will be closed all day, Saturday, September 10th.

Kalis Charron of Ypsilanti spent Labor Day weekend with his father, Oscar Charron, and Mrs. Charron. Mr. and Mrs. Robert Bovee and daughters Dena and Billie Fay spent the holiday weekend in Lewiston, visiting Mr. and Mrs. Vince Spencer. The Bovees were in Detroit last week Tuesday and Wednesday, on business, and stayed overnight Tuesday with the Spencers, who live at Walled Lake. An Oldtimers picnic was organized Thursday, the 25th, by Mrs. Nola Laurant and her brother Currie Sheehy, especially for an old, old friend, Selwyn D. Dexter and his wife, of St. Petersburg, Fla. Mr. Dexter was a resident of Grayling, who left here 52 years ago. He paid a return visit 35 years ago in 1925. Selwyn, Currie and their guests were boyhood chums, so plans were laid for a get-together this summer. Thursday afternoon at the Hartwick Pines, Mrs. Laurant, Currie Sheehy, their guests, the Dexters, Mr. and Mrs. Hugh Patterson, Mose LeSprance, Mrs. E. R. Woodburn and Mrs. Augusta Wait, all of Detroit, with Mr. and Mrs. Eimer-Rasmussen, Mr. and Mrs. Lloyd Gierke, Mrs. Lulu Shaw and Mrs. Harold Rasmussen, enjoyed a good meal and a wonderful time of reminiscences which will not be forgotten for a long time.

For a free trip for two to Jamaica, see Bill at Moshier Refrigeration. Last chance before September 10th deadline. Mr. and Mrs. Oscar Borchers left Saturday for Bay City to visit their daughter and family, Mr. and Mrs. Dick Benedict, and went on to spend some time with Mr. and Mrs. Rollo Hummel in Clawson. They came back home on Tuesday.

Dr. and Mrs. L. J. Green entertained Mr. and Mrs. J. W. Holm and Mr. and Mrs. J. W. Holm, Kings of Lansing on Saturday, also Mr. and Mrs. Leonard Dennis of Lansing who were enroute home from the U. P. after a vacation. Weekend before last Dr. and Mrs. H. B. Beardslee and children, Terry and Pam of Lansing were the Greens' guests.

Mr. and Mrs. Thane Hendershot and family returned Wednesday last from a vacation in the Grand Rapids area. They left Friday to spend a day with his sister and family, the Cecil Smiths, then Sunday they went to Spring Lake to spend the day with Mr. and Mrs. Lou Hendershot, and on Monday went to Martin Lake near Fremont to stay at the Smith cottage until Wednesday.

## What Did He Expect?

The head of the big steel union has made a complaint and a request to one of the Presidential candidates. Some 100,000 members of his union are unemployed, and 300,000 more are working a short week. Steel production, of late, has been running at a mere 53 per cent of capacity. So he wants the government to move in and "take more vigorous steps" to improve the steel employment picture.

This brought an apt comment from the Portland Oregonian: "Well, what did he expect when he kept his 1,100,000-member union on strike for months last year, until stopped by a federal injunction, and obtained a settlement which did not alter the costly work practices enforced by the union?"

That settlement in other words, increased wages and other payroll costs without doing anything about featherbedding and make-work within the industry. Only one result was possible, and it has come about. We imported 4,400,000 tons of foreign steel last year, as against only 1,500,000 tons of export. This year's imports are expected to be nearly as large. To quote the Oregonian again, "Why should the United States, the greatest steel producer in the world, need any imports from abroad? Obviously, it doesn't—but foreign prices are lower, and quality has improved vastly."

You can raise wages to any level. You can put featherbedding work-rules into effect which result in waste and inefficiency on any conceivable scale. But you can't make people buy a high-priced product when they can get the same product elsewhere for less. And that goes for everything we use—not just steel.

## Tax-Increasing Bear Traps Set...

The announcement that there was a budget surplus of \$1,100,000,000 during the last fiscal year, a much larger figure than had been forecast, deserved and got headlines all around the country.

This was a happy event. But the cheering could be premature.

A general election year is believed to offer a marvelous opportunity for those who follow the "tax and tax, and spend and spend" philosophy to corral votes. In the efforts of candidates to woo votes, proposals are

now made whose cost to taxpayers would make the current surplus look like peanut-stand economics. Unless the voters have the fortitude and the intelligence to resist these tax-raising bear traps, we can look forward to inflation-creating deficits of almost limitless size.

## Interesting Events In Grayling 23 Years Ago

### INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

September 9, 1937

The switchboard of the local telephone office was seriously damaged last evening when a heavy charge of electric current entered the system. At that time sparks were seen coming from wires in front of the Jurnin residence and also near the Nurses Home on Peninsular Avenue. Apparently lines from the Michigan Public Service Co. had contacted telephone lines. Connections and plugs were melted in a hurry and flames shot out of the switchboard. For a while nearly the entire local system was out of commission. Prompt action by Jack Clark, telephone troubleman, and Gail Clise, manager of the electric system, soon had the juice cut off and firemen stood by to assist if aid was required. Partial service was continued for the night but it was found that from 25 to 50% of the switchboard was out of service. It is practically certain that the local exchange will be entirely reconstructed within a few months.

Dan Babbitt reports the loss of a valuable cow during the heavy electrical storm Thursday night. The cow happened to be standing near a wire fence when the lightning struck and was instantly electrocuted. The bolt also put a number of telephones out of commission at the same time.

A large tree near one of Adam Gierke's cottages on the Ausable was struck and demolished by lightning during the Thursday night storm.

Lightning struck the Albert Charron home Thursday afternoon, doing considerable damage, which was the second time this summer.

Mr. and Mrs. Clarence H. Bodine of Flint, who were here to attend the Oldtimers picnic at Beaver Creek last Sunday, visited at the home of Mr. and Mrs. Earl Wood. Mrs. Bodine was formerly Jessie Stewart.

The Farmers and Oldtimers picnic that is held annually on Sunday before Labor Day at the Beaver Creek town hall, has come and gone, and although there was not as large a crowd as has attended during other years, it was a good success. The weather turning so cool at the end of the week no doubt kept many away, however, there was a jolly crowd number some 400 that enjoyed this annual affair. At the business meeting that was held, Hella Sewell of Flint was elected president; Alton Brott of Fredrit, vice-president; Forrest Annis, secretary; Chris King, treasurer. Business committee: George Annis, Charles Corwin, Hugo Schreiber, Jr., and Axel M. Peterson.

Carl Henry Nelson returned on Sunday from a week's visit with

his cousin Bob Tetu in West Branch.

John Henry Peterson left Friday for Cleveland to attend the Cleveland Great Lakes Exposition and the air races there.

Mr. and Mrs. Jonas Wirtanen and Mr. and Mrs. Anton Kangas left Saturday to be gone ten days visiting relatives and friends in Chicago.

Mr. and Mrs. Emerson Brown, accompanied by Al Roth of Port Huron, have returned after spending several days visiting their respective parents here.

Tom Ring, nephew of Tracey Nelson, who has been working in the A. & P. market, returned Sunday to his home in Manacoma to resume his school studies.

Mrs. A. E. Michelson, daughter Jean and son John have returned to the home in Detroit after spending the summer at their home on Lake Margrethe.

J. L. Martin, who has been employed by the State Highway Department for the past seven years, resigned his job to return to service with the M. C. R. R. where he formerly had been employed. He left Sunday for Bay City to start work.

Mr. and Mrs. A. J. Joseph and Mr. and Mrs. Benjamin Jerome of Pontiac spent Thursday at Northport where the gentlemen did some fishing.

Miss Jane Ingley enjoyed having a household of guests at "Wildwood", Lake Margrethe, over the weekend, including Mr. and Mrs. Lawrence Koepfer and daughter Marjorie, Miss Helen, John and Leo Koepfer, and Gilbert Spillane, all of Detroit. Mrs. Leo Koepfer and Mrs. Marie Koepfer, who accompanied the party, are remaining for a fortnight's visit.

Mrs. Charles Tinker submitted to an operation for the removal of an appendix. Wednesday morning at Mercy Hospital.

Mrs. Willard Cornell is for the next school year to be instructor of commercial subjects in the Roscommon school, while Mrs. Frank Bearsch will handle the music department in the same schools.

Mrs. Leo Jorgenson enjoyed having several lady friends drop in at her home Tuesday evening to help her celebrate her birthday anniversary. The guests left several nice gifts and a potluck lunch was enjoyed.

Fire that started from a kerosene stove caused damage to the extent of \$750.00 to the home and contents of Mrs. Joseph Morency Monday morning at 9:30 o'clock. The wallpaper at the rear of where the stove stood in the kitchen caught fire. Before it was discovered it had gained much headway, however, the fire department did a good job at extinguishing the flames. Much of the furnishings were removed to safety.

The Emil Kraus home on Michigan Avenue has been nicely sided with grey asbestos shingles. The trimming on the building is to be white and green.

Michigan State Highway Department has opened a project office in the rooms over the Kraus 5c to \$1.00 Store, that is being occupied by Mr. C. Moore. Mr. Moore is construction engineer in charge of the oil aggregate project on M-76 between Grayling and Kalkaska and also of the contract of highway improving between Prudenville and Gaylord.

This office will be maintained in Grayling until the work is completed, which will be about December 31st.

The fire at the Plaza Grill early Monday morning frightened the populace of Grayling when flames were seen coming from this building in the downtown district. It didn't take long to get a crowd out, most of them clad in night robes, after the fire siren sounded. The City fire department made a quick run and had the flames under control in a minimum time. The fire resulted from a large cooking range being too near a wall that is not insulated. The damage to building will amount close to \$175.

Tom Stephen's Otsegoes were here last Saturday, Sunday and Monday for three series games, taking the first and last games, losing the big Sunday game to the locals.

Gordon Davidson is now employed at the Avalanche Office. Congressman Woodruff pitched the first ball for the Otsegoes in the Sunday game.

Mrs. J. J. Manney and son Russell returned home Monday from a several weeks' vacation spent in Flint and Lansing.

Mr. and Mrs. Lester McPeak and George McPeak are in Bay City attending the wedding of their sister, Miss Catherine.

Mr. and Mrs. William Brennan, Mr. and Mrs. J. E. Crowley

Miss Nellie Shinnahan left on Wednesday morning to attend the wedding of Miss Catherine McPeak in Bay City.

Mrs. T. Boeson and daughter, Miss Anna, left last night for Muncie, Ind., to visit Mrs. Boeson's brothers, Albert and Fritz Grouleff.

Mr. and Mrs. R. W. Brink are entertaining the latter's parents, Mr. and Mrs. P. C. Smith of Bay Port.

The Misses Maude and Fedora Tetu left Saturday night for Standish and Bay City to visit for a week. Miss Irene Balhoff accompanied them.

Mr. and Mrs. Howard Denning and children and Miss Scott and Edward King, all of Vanderbilt, and W. L. Biskner of Standish were guests at the LeSprance home over Sunday.

Peter McNeven and family drove over to Petoskey last Saturday and sent Sunday visiting his wife's parents.

C. G. Gates of Boyne City arrived here Sunday and will be bookkeeper at the offices of Drs. Insley and Keyport. Mr. Wilks, who has been acting in that capacity, has gone to Gaylord where he will attend high school.

Miss Johanna Hendrickson gave a very pleasant party at her home last Friday evening in honor of Miss Sena Sorenson of Greenville, who has been her guest for a few weeks.

Mrs. James Murphey of Detroit, a former resident of this city, is a guest at the home of H. Petersen.

# Annual Audit of City of Grayling

August 17th, 1960

## TO THE HONORABLE MAYOR AND CITY COUNCIL

City of Grayling, Michigan  
I have examined the balance sheets as of June 30, 1960, of the GENERAL FUND (INCLUDING GENERAL FIXED ASSETS AND RELATED BONDED INDEBTEDNESS), CEMETERY, PERPETUAL CARE AND MAUSOLEUM FUND, ELECTRIC LIGHT AND POWER PLANT AND DISTRIBUTION SYSTEM FUND, WATER WORKS FUND, SEWAGE TREATMENT FUND, TRUST AND AGENCY FUND, with respect to the CITY OF GRAYLING, MICHIGAN, and their related statements of revenues and expenditures for the fiscal year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances, except that I did not confirm the receivable items by direct correspondence with the debtors. In my opinion, except for the fact that I did not confirm the receivable items by direct correspondence with the debtors, the accompanying balance sheets and related statements of revenue and expenditures present fairly the position of the several named funds of the CITY OF GRAYLING, MICHIGAN, at June 30, 1960, and the financial transactions of these funds for the fiscal year then ended in conformity with generally accepted principles of municipal accounting applied on a basis consistent in all material respects with that of the preceding year.

CLIFFORD B. PETERSON
